

Manzanita Kindness Day

February 16th
1:00pm - 3:00pm
Open House

Please join us for our annual Manzanita Kindness Day! We will have many family-oriented activities celebrating kindness in our Manzanita Community! You can learn about Mindfulness, make a family kindness bell, frost a cookie and many other great activities! It is always a fun day with family and friends!

If Manzanita's parking lot is full, be kind to your body and walk up from La Encantada!
Parents, please accompany your children for all aspects of this family event!
