2 COME BACK

Once you have completed your order, return to your yearbook's order page and login. Scroll down and find the name you entered when you ordered.

Click **"Edit Flip Cover & Pages"** to begin customizing the back cover and back pages of the yearbook. You can always save your work and come back later to finish.

3 DESIGN & FINALIZE

When you are done editing, be sure to click **"Finalize"** to submit your personalized yearbook for printing.

If you don't click "Finalize", then the student will still get their yearbook with a standard back cover and no personalized pages.

What's a flip cover?

Personalized yearbooks have, in a sense, two front covers: On one side is the basic cover and yearbook. Flip the book over and the other side is your personalized cover and pages with your own photos and text.
